ANNUAL REPORT

HELPING KIDS BE KIDS DURING DIFFICULT TIMES

"IT'S AWESOME TO SEE HOW A BIT OF EFFORT, A DASH OF CARE, AND TABLESPOON OF LOVE CAN TURN A CHILD'S WORLD AROUND. I'M IN AWE! HOW MUCH MORE JOYFUL THE WORLD AND CHILDREN WOULD BE IF WE PUT INTO PRACTICE WHAT LITTLE SMILES REPRESENTS. KEEP UP THE AMAZING WORK!"

Right now, thousands of children in southeast Florida are facing the most difficult time of their lives- serious illness, homelessness, and other tragedies.

They are spending their days alone in hospital rooms, shelters, or other temporary homes going through painful procedures and experiencing emotional strains they are not equipped to handle.

In 2020, Little Smiles was proud to work alongside Child Life specialists, nurses, law enforcement, and other critical staff members at 28 pediatric facilities to bring (*big*) little smiles.

Our programs are created to provide experiences, toys, and essential items to children in need through the help and generosity of our community.

Together we can brighten their day.

PROJECT S.M.I.L.E.

SPECIAL MOMENTS IMPACTING LIVES EVERY DAY

"I have NEVER, in 20-years as a cop, worked with a more loving and dedicated group of individuals. [Little Smiles] helps our officers/detectives cut through the red tape and assist our victims and at-risk families without question.

*Thank you all. I truly love you all and Little Smiles!
#ProjectSmile"*

Project S.M.I.L.E. furthers the Little Smiles mission through our work with local law enforcement.

Revenue generated to support this program is restricted solely to providing non-medical support to homeless, displaced, and abused children in Palm Beach County.

Through Project S.M.I.L.E., Little Smiles is able to provide the basic necessities for the children identified and referred to the program.

Our Project S.M.I.L.E. partners include:

FEEDING OUR FRONTLINE

LITTLE SMILES RESPONDS TO THE COVID-19 PANDEMIC

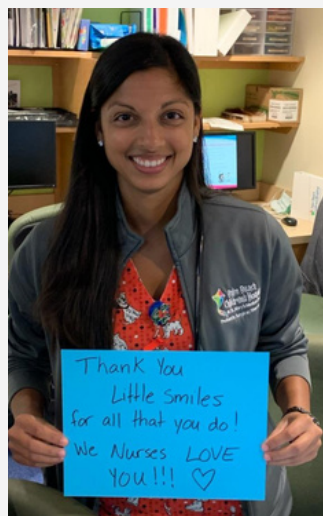

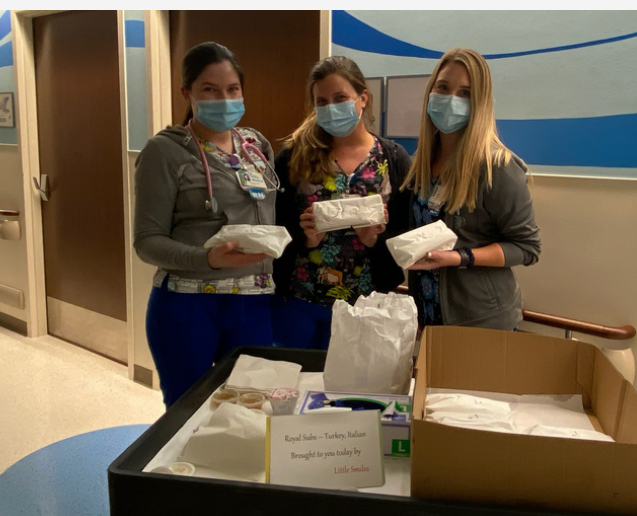

It is not uncommon for Little Smiles to send meals to our nurses and support staff after they had a long day or a hard shift.

2020 brought our facility staff many long and challenging days. During this time of unknown, our frontline worked tirelessly and without question.

Their long shifts didn't go unnoticed or unappreciated.

Little Smiles took this time to show our front line how much they mean to us and our community.

Over the course of a year, Little Smiles fed 11,000 nurses, Child Life Specialists, and other facility support staff meals.
